- At termination of agreement, Customer will have access to their data for a maximum of 90 days. ConsortiEX will assist Customer, at a reasonable time and materials charge, to export Customer data into .csv file.

- At termination of agreement, ConsortiEX will offer Customer a mutually reasonable fee for storing existing data for six additional years.

Drug Supply Chain Security Act Statement of Compliance:

Company will store T3 documents for the required minimum of six years and process documents in compliance with the FDCA Sec. 581 (27) (A-G).

Company will:

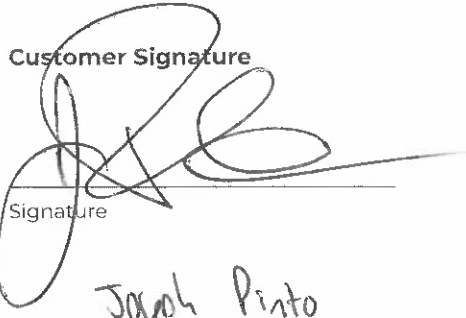

- Enable Customer to receive, update and provide required transaction documents for all shipments/receipt of drug, returns, drop shipments and exceptions, including product exchange to institutions outside of Customer and Customer's definition.
- Be the single source for storing & retrieving DSCSA documents.
- Enable Customer to meet the DSCSA requirement for information within the 2-day timeframe, in response to an FDA request.
- Monitor and audit T3 documents for missing or unknown NDCs, addresses or description fields as required.
- Provide timely system updates in response to changes in DSCSA regulations.
