

Recall Tracker – Getting Started

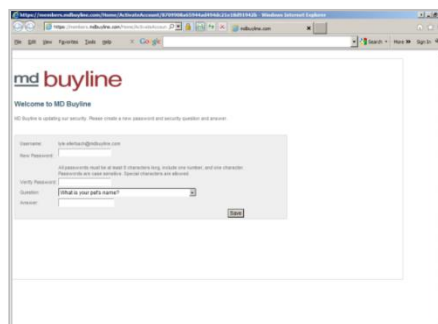

1. MD Buyline Account Activation

Once you receive your MD Buyline account activation email, click the link to begin.

Your activation email is only valid 10 days.

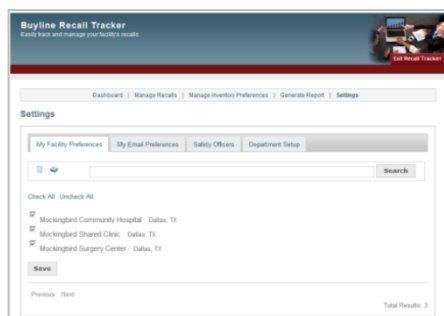

If your activation email expires, you can request a new one from member.services@mdbuyline.com.

To activate your account:

1. Enter your new password.
2. Verify your password.
3. Select your security question from the list.
4. Answer your security question.
5. Click Save.

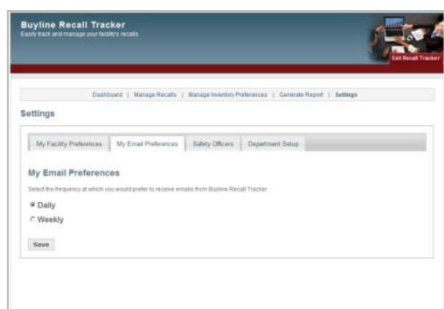

2. My Facility Preferences

Set your facility preferences:

1. Log into MDB website and launch the Recall Tracker from the left panel.
2. Click on *Settings*.
3. *My Facility Preferences* will be selected.
4. Click the checkbox next to the facility(s) you will be tracking.
5. Click *Save*.

3. My Email Preferences

Set your email preferences:

1. Log into the MDB website and launch Recall Tracker from the left panel.
2. Click on *Settings*.
3. Click the *My Email Preferences* tab.
4. Select either *Daily* or *Weekly*.
5. Click *Save*
